SOL

6 x 6

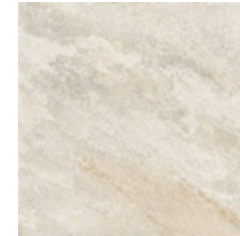

Deliberately artisanal. The Sol collection is drawing inspiration from the traditional Mediterranean ceramics with its super-glossy surface, bright colours, and handmade texture.

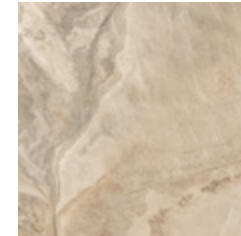

It serves as a captivating addition to your design, imbuing spaces with warmth, inviting charm, and an overflow of vitality.

Aesthetic strength, genuine authenticity, and untamed character! The Stone collection reveals the undeniable charm of quartz with its contrasting veining, its range of rich, warm, and earthy colours, as well as its pleasantly textured surface.

wadi X MARA design
Exclusive Collaboration

The marriage of opulence and depth! Drawn from the taste of minimalist and contemporary design trends, the Wadi tile collection deeply resonated with Mara Costachescu with their smooth, silky finish and calming hues. When incorporating glossy geometric patterned tiles as a focal point within the realm of softness and simplicity, this collection opens to the creation of endless designs.

*Wall only and interior only for all "Géo" shades.

MARA design

Mara Costachescu is an APDIQ interior designer, thriving on interior arrangement and space optimization. Mara Design specializes in residential designs with a timeless, functional, and ergonomic style.
