The Keystone collection offers ceramic tiles in neutral tones, resembling natural stone, bringing a contemporary and soothing aesthetic to any space. Their surface evokes the softness of sandstone, creating a relaxing ambiance.

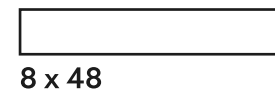

This collection provides a timeless backdrop, merging modern style with a sense of tranquility, perfect for creating a soothing and elegant environment.

KORA

The unique combination of the ribbed texture and the wood-like appearance of the Kora collection makes it essential for re-creating a contemporary atmosphere inspired by Japandi style.

These tiles offer a zen aesthetic, striking a harmonious balance between the warmth of simulated wood and sleek design, ideal for a modern and minimalist environment.
